The Haven has been booked to celebrate a fall get together for the power squadron members for October 4 Saturday 7pm..cost of hall rental is free.....

It costs \$25.00 for dinner if people want to arrive early...please book a few days ahead of time if you are wanting to have an early dinner ( served at around 6:30 pm).

## **Nominating Committee Report**

for September 11, 2014

The NomCom will have its first meeting on Tuesday September 23. The Committee consists of Bill Kalbfleisch, chosen by the Bridge, Ralph Hagen, by virtue of his position as Commander and Bob Derksen, chair, because of his status as P/C.

According to Model Regulation 9.15.5, the Committee asked XO Mike Hoeinghaus to stand for the nomination of Commander for 2015-16 and we are delighted to report he agreed. The Committee will be working closely with him on the task of presenting a slate of nominees for the 2015-16 Bridge.

Respectfully submitted,  
Bob Derksen, Chair of the Nominating Committee

# Webmasters Report

September 11, 2014

We updated:

the Home page and Upcoming Events page with the information on the fall social programme  
the Sponsors page by adding some sponsors  
the Courses page with updated information as a result of the last Exec meeting  
the online registration pages for Seamanship and Marine Radio on the CPS web site  
the CPS National Course Calendar  
the Minutes and Reports page as a result of the last Exec meeting

We looked into putting the reports not as yet reviewed and accepted by the Bridge behind a username and password. This is a very simple procedure but to do so we need something called a file path. Our ISP has not as yet responded to the request for that information.

Respectfully submitted,  
Bill Kalbfleisch, Bob Derksen

## Communications, Privacy, Scuttlebutt Ed. Report to Bridge September 11, 2014

**Scuttlebutt** was published on the web and to all our members. Some good feedback, and thanks to Bob Derksen for helpful second eyes, good suggestions, and fixing typos, etc.

**Communications Committee** met for an hour Sept 5, Bob Derksen, Mike Hoeninghaus and yours truly attending. Bert Terhart was previously committed, Bob Weenk was away, and Ralph delayed on the ferries.

Points agreed upon:

Kudos to PRO/Marketing Bert Terhart for the initiative recognizing the Seamanship high mark achieved by David Kellenberger with a smile in The Sounder, and preparing a draft for The Sounder article on Oceans Day.

All Bridge members are reminded that whenever any ads, articles in media, or emails, etc. are circulated, the Squadron website is to be referenced or linked. (Previous resolution.)

Mike reported on information for Socials on behalf of Jude and Social Committee – October 4, Haven at 1900, Const. Mike Reid of Nanaimo Marine Safety Detachment will be guest speaker with Ppt presentation and take questions. Christmas party to be at the Golf Club, Friday December (TB confirmed) – potluck, carol sing to be confirmed. Don will circulate membership with details after the Bridge meeting. Spring Social in April, date and program to be determined. Consideration to be given for a series as was the case last year.

Communications Officer communicates with Squadron membership. PRO/Marketing communicates with the general public. The Squadron website has much information about past Marketing and PRO activities as does the National website for ideas on Marketing. Gabriola Squadron is actually featured here.

### Seamanship Marketing -

Sandwich boards to go up shortly at several locations for Seamanship, Ferry hill, triangle at North and Horseshoe Rd, Silva Bay on South Rd, and a banner at Bob Rooks fence at the turn-around. Bob should be asked for permission again. Mike will talk to Ralph about details and materials.

Bob Derksen will ask Ralph to call recent Essential students by phone inviting them to take Seamanship. Mike will speak to Bert about considering a “blurb for The Sounder about Seamanship together with an ad at the “bottom” of the article.

Mike will speak to Bert to contact Commodore Doug Cunnian about circulating SBYC members with information about the Seamanship Course, and consideration to be given at the Squadron Bridge to considering allowing the "discounted" CPS member price – that will be debated at the Bridge meeting. Lil' Gabe to go on display at the Village for the Radio Course, but not necessarily the Seamanship Course.
