Report to Bridge
June 16, 2016**

Scuttlebutt was published following the AGM and included the spirit of the celebratory event. I also published a special extra edition notifying the membership of the Nominating Committee report and the announcement of the AGM.

Communications – A notice was sent out reminding people of the Workshops, and when they didn't happen for lack of interest I sent out a notice with a new schedule.

Fireworks Cruise – this will take place as indicated in the recent notice and in Scuttlebutt. I've heard no confirmations as of yet, but will send out another reminder later in June. One additional person has indicated possible interest.

Burgees – There are no further orders, and it stands now at 11. I thought we had two more but unable to find more than 11.

Privacy – nothing to report

SAFETY BOAT CHECKS-MAY 2016

With weather cooperating, and many volunteers to include Don Butt, Ralph Hagen, Ian Waymark, Bill Kalbfleisch, Mike Hoeinghaus, and Bob Wood, the safety boat checks were able to pass 9 participating boats this year with checks at Silva Bay Marina, Silva Bay Inn Boatelle, Page's Marina, and private and public docks at Degnen Bay...special thanks to our great volunteers and George Myette for making sure the word got out there to our boating community. Bob Wood has offered to be the contact if anyone else wants their boat checked.
