

**Officers and Committee Reports
For the August 11, 2016, Executive Meeting**

**Communications, Privacy, Scuttlebutt Ed.
Report to Bridge
August 11, 2016**

Scuttlebutt is due for publication end of August/early September. This is an important one to get an attractive outline of our upcoming courses for the fall, and plans for social events including dates. I would like to have an article about any activities during the summer, with a picture if possible. I will prepare an article on the fireworks cruise.

Communications – The committee has met a couple of times recently to plan the roadside signs. We’ve worked hard and thanks to George and our sign maker, I think we have a winner.

Burgees – There are no further orders, and it stands now at 11. I thought we had two more but unable to find more than 11. We may have another couple of burgees – up to 13. We need to decide what to do from here. They are costly, but my opinion is that priority should be given to the roadside signs, which are not cheap either.

Privacy – nothing to report
