

**Gabriola Island Power and Sail Squadron
Bridge Member Reports for the Executive Meeting
May 18, 2017**

Public Relations Officer

I can report that I did drop our damaged sandwich board off to Commander Mike before we left in April and he was planning to have it repaired in time for the Boat Safety Checks. I have also been in touch with Bert and adjusted the dates for the Workshops, which I have been posting on the Squadron FB page and on the 2 Gabriola Island Community Pages. Thanks to Jude who prepared the FB post for the upcoming Boat Safety Checks, I was able to post that on our Squadron page as well this week.

Prior to leaving in April, I was able to drop invoices off for \$50 to our Sign Sponsors from last year and also mentioned it to North Road Sports. I will follow up with them when I am back in June.

I am still planning to organize a day with Squadron members to replace the shell on our storage shed on a fair weather Saturday some time after the middle of June.

Communications, Privacy, Scuttlebutt Ed.

Scuttlebutt was published late in April – the last till the Sept-Oct issue.

Communications – No meetings held. I send out messages to the membership as announcements for special events but don't want to "overdo it".

Privacy – Nothing to report.
