Bridge Member Reports for the Executive Meeting  
April 19, 2018**

Public Relations Officer

I attended the presentation on Derelict Vessels legislation by Bert terHart and Sheila Malcolmson at the Community Hall on April 7<sup>th</sup> and displayed one of our sandwich boards, advertising boating courses. I would like to have had L'il Gabe on display but didn't have the means to transport her.

I have been assisting Bert and the Communications Committee by posting the advertisements for the Boating Workshops on the Community Facebook sites as they come up.

I have begun approaching sponsors to renew sponsorship for another year and also have asked existing sponsors if they would consider covering the cost of any required, new artwork on the sign board in addition to their minimum donation of \$50. I have asked Jared Hooper for a quote on the cost of new stickers for the sign board for Page's Inn and Arbutus to match the logos on our website. I hope to report back before the next Bridge meeting.

No other updates at this time.
