

**Gabriola Island Power and Sail Squadron
Bridge Member Reports for the Executive Meeting
November 15, 2018**

Communications / Scuttlebutt / Privacy Officer

Scuttlebutt was published on time, and I had no “bounces” this time. I try to keep Elaine updated on any glitches with email addresses. Next edition will be end of December. As usual I will need some material. Thanks Bert for your great articles.

Communications: I don't know of any pressing need for a meeting immediately but we should meet sometime in December to discuss publicity for upcoming winter/spring courses. I notified the Squadron about Bert's talk to the Museum Society group and had several replies saying they'd attend.

Nothing in privacy.

Additional items:

- Hiromi and Richard are confirmed to be my guests at the Christmas potluck. Hiromi will play keyboard for the carol singing. *Is there a piano at the Dragon's Lodge? If not I will bring a keyboard. It will need to be close to a power outlet.
- I am reviewing the policy manual as it applies to my bailiwick.
- I'm interested in how the Nominations are progressing for next year - I am willing to continue on as editor, but it would be nice to have an associate to get some new ideas.
- National CPS-ECP Conference is in Victoria in October next year - worth going to and perhaps we could consider subsidizing Cdr and SEO? And Marketing? Some Squadrons do.
- Lastly - It's great to see students in our courses again.

Public Relations Officer

Have contacted a number of Squadron Sponsors to solicit door prizes for our Annual Christmas Party and extended an invitation for them to attend if they wish.

Met with the new owner of Silva Bay Shipyard – Clay Billard and he is committed to continuing as a Sponsor of the Squadron. He and his wife plan to attend the Christmas party as well.

Submitted a brief article/report to Wanda Borley – Silva Bay Yacht Club on recent Squadron activities for their upcoming publication of Anchorline.

George Myette

Membership Officer

At the last bridge meeting on October 18th our squadron had 62 members, down two from the previous month. Since then one of the members who had dropped out has renewed his membership, so as of November 15th we have 63 members in our squadron.
