

**Gabriola Island Power and Sail Squadron  
Bridge Member Reports for the Executive Meeting  
March 21, 2019**

**EXECUTIVE OFFICER**

**Lill'Gabe**

Don Butt, George and I had a look at Lill' Gabe in its tent. The inspection showed that some repair is required at the tent, as the canvas, especially at locations where there is some stress, is deteriorating quickly. Some reinforcement and re-painting of Lill' Gabe also seems to be required, it would be a good little spring project. Finally, the other items under the tent should be looked at when the weather improves, to determine what shape they are in and whether they should be kept or not, and whether this is a good location for them.

**Social of March 9<sup>th</sup> at the Rollo Centre**

Thanks to the great work as usual by Elaine Pierce and Jude Briscoe (Thank You !!), a great Social was had on March 9<sup>th</sup> in the afternoon at the Rollo Centre. This was organized in cooperation with the Silva Bay Yachting Club. Attendance was great. Of course, the subject was of interest to all Squadron and Yacht Club members, as well as to all Gabriolans indeed, as it concerned the plans of the Silva Bay owners for the redevelopment of the facilities. These plans were explained in general terms by the company's representative. Agathe Gaulin, commodore of the Silva Bay Yachting Club moderated a question and answer period. If things go as per the intentions that were expressed, possibly next year in 2020 the first phase of the redevelopment may take place. The Gabriola Power and Sail Squadron expressed its thanks to the company's representative who accepted a small gift -including a Squadron Burgee- as a memento of this afternoon.

**Communications, Scuttlebutt and Privacy Officer**

**Scuttlebutt:** Published a bit early this time. Always looking for interesting material. I intend to feature the Courtesy Safety Check Program this time. Any quotes would be appreciated.

**AGM:** I will need the year-end reports from the officers to publish in a PowerPoint presentation to the AGM. It saves a lot of time and is informative. I'd like them two weeks ahead of the AGM to give time to get the project finished in time. Many thanks!

**Communications:** No meetings have been necessary. I will stand ready to help with the first meeting after the AGM when the officer's work is discussed.

**Privacy:** No privacy issues to report.
