

**Gabriola Island Power and Sail Squadron
Bridge Member Reports for the Executive Meeting
April 18, 2019**

Communications, Privacy, Scuttlebutt Editor

Scuttlebutt was published bimonthly as usual, apart from the summer, when we should be on the water. It was circulated to members and published on the web. Special thanks to Bob Derksen for the second pair of eyes catching my typos and to all those who contributed articles.

And to anyone who might have an interesting story to tell from the summer, please write about it and send it to me for publication, along with a photo or two.

Communications Committee. This committee did not hold many meetings this year, a credit to everyone who knew their jobs, which they did with alacrity and enthusiasm. Special thanks to George Myette who is full of good ideas for publicizing Squadron courses, to Bert terHart who provides data and ideas, to Elaine Pearce who regularly keeps my membership list up to date, and to Bill Kalbfleisch who ensures instant posting on the website.

Privacy – fortunately nothing to report
