

**Gabriola Island Power and Sail Squadron
Bridge Member Reports for the Executive Meeting
May 3, 2019**

Public Relations Officer

Contacted Rick Mitchell - FLV property manager prior to leaving Gabriola and he agreed to allow us to spot L'il Gabe on the grass by the Gertie stop for 3 days only prior to or over the RVCC weekend. I will not be back on Gabriola until May 16th at the earliest so will leave it to the Bridge to decide on a plan for this. Rick asked that we call him back to confirm the dates for spotting L'il Gabe @ 250-247-9966. I told him it may be someone other than me calling him.

Sandwich Boards with Courtesy Boat Check panels are accessible in my front yard if someone wants to pick them up before I get back. My cell is 403-863-2419 if someone wants to call me for directions.

I plan to approach Sponsors for annual donations of \$50/ea after I return to Gabriola.

Respectfully submitted,
George Myette
Public Relations Officer

Scuttlebutt will be published shortly, I would like to have a short article from the new Cdr and SEO. This would include a short bio of who you are, why Gabriola, professional and boating life, and outline for plans for the upcoming year.

And to anyone who might have an interesting story to tell from the summer, please write about it and send it to me for publication, along with a photo or two. It would be entitled, "Meet your new Executive"

Communications Committee. We will be holding a meeting before the fall courses to plan for the fall season.

Privacy – fortunately nothing to report

Respectfully submitted,
